**Calvary Assembly of God purchases the Maumee 18 theater  
on Conant Street in Maumee, Ohio**

Calvary Assembly of God announces the acquisition of the Maumee 18 Theater, located at 1360 Conant Street in Maumee, Ohio. Planned future renovations to the theater will enable the church to relocate from their current property at 5025 Glendale Avenue, Toledo, Ohio during the latter part of 2011.

“Calvary believes in changing lives to change the world,” states Chad Gilligan, Lead Pastor. “The purchase of a larger facility provides unlimited possibilities for the expansion of Calvary’s ministries and involvement in the community. Calvary looks forward to having a community presence in this strategic location.”

Calvary purchased the former cinema from Dallas based Rave Motion Pictures. “It was a positive experience to work with Rave to see this well-known local landmark take on a new purpose in the area,” said Gilligan.

Rave Motion Pictures spokesperson stated that “It has only been a few months since the Maumee 18 closed and we promised to pursue meaningful new ownership. We are delighted that this long time local community based church has acquired the property. We wish Calvary Assembly of God great success in their future home.”
